DOCTOR HS TREFRY MEMORIAL CENTRE

Notice

Hello everyone, my name is Marcy Clark, and I am the new Manager for Seniors and Persons with a Disability at the Dr. Harold S. Trefry Memorial Centre.

I am originally from the north shore, but I have lived in Richards Landing for 26 years. I am a Registered Practical Nurse and during my career I have worked at Algoma Manor, the Group Health Centre & my own business called Landing Feet First – doing in home nursing footcare.

I also worked part time at the NCU and for the last 2 years I have been working at the Township of St. Joseph Municipal Office as the office assistant, then Deputy Clerk Treasurer. With all of these positions as past experiences, I am confident and very excited to be in my new role.

Please feel free to email, call or stop in at the Dr. Trefry Centre to learn about any programs that are running or to catch up.

PSW Outreach Program Update:

The PSW Outreach program is pleased to announce two new staff members. Stacie Koch RN will be providing case management as well as clinical assessment services. Beth Lane is our newest PSW. Both new staff members are residents of St Joseph Island.

The Algoma District Services and Administration Board has given extended and expanded our funding which will allow us to stretch our services further along the north shore. We are making a continued effort to acquire permanent funding for this very valuable and innovative program.
