## A Small Town with a Big Heart

### Trailblazers & Trekkers Light Up the Night

On the night of February 2nd, 2024, at 6:30 pm, the Bruce Mines Trailblazers hosted an enchanting event, lighting up the trails for a memorable experience. Attendees, comprising of friends, families, and nature enthusiasts, enjoyed guided tours along the picturesque paths. A notable moment was the stop at the renowned lookout trail offering a stunning view of Bruce Bay on Lake Huron. The evening wrapped up with a cozy gathering around a crackling fire, enjoying hot chocolate and tasty cookies, fostering a warm atmosphere. The illuminated trails, starry sky, cheerful vibe, and laughter made it a cherished experience for people of all ages. The Trailblazers express their thanks to Megan & Emily from EarlyOn and the Bruce Mines Fire Department for adding their special touch to the event, making it even more memorable for everyone!

The Trailblazers are keeping the excitement alive with nature-themed entertainment. Save the date for Sunday, March 3rd, at 2:00 pm for another trail adventure. Teaming up with Kosmo's Pizza, they are offering discounted Suds & Slices for the Snow, Suds, and Slices Event. Entry is by donation, aiming to surpass their previous turnout of 80 participants.
