

May 2024

The arrival of spring is announced by cheerful splashes of sunny yellow peeking through the grass, bringing a vibrant energy to the Town of Bruce Mines. Birds sing a joyful melody, adding to the town's extra sparkle.

Lift-in Day will stir up enthusiasm among water lovers, awakening the marina and inviting exploration of the glistening lakes. The once-quiet town will soon buzz with excitement, offering a peaceful escape for city dwellers. Children's laughter and outdoor adventures will soon fill the streets, bringing joy to all.

April brought its share of uncertainty with its persistent showers, promising a blooming May. Despite the inclement weather, a group of dedicated Bruce Miners and the Bruce Mines Trailblazers who participated in a spirited competition against Johnson Township and Plummer Additional, cleaning the town and collecting waste and debris from the roads and trails! Way to go Team. Every township won that day!

The Lions Club delighted all with their annual bake sale. Providing delicious home baked goods. All proceeds go to support community programming. The Lions Club of Bruce Mines would like to thank everyone who supported their bake sale this year!

Clara Klingenberg, along with Pat, Larry Peterson, and the Chamber of Commerce, hosted the Annual Spring Fling. They welcomed local vendors, artisans, and crafters to showcase their unique products! The Community Hall and The Chapel were filled with creativity and gratitude. Spring Fling truly enhanced the Small Town Big Charm of the day! A generous donation was made to the Bruce Mines Historical Society. The Chamber would like to extend its gratitude to all who participated and attended.

The excitement & support for small businesses didn't stop there! HNCEA & ELNO's brought to Bruce Mines the Funder's Forum. A great opportunity to connect local entrepreneurs and organizations with direct contact to businesses, organizations, and government agencies with access to funding and support services. It was well attended and a perfect example of networking and support at it's finest.
